IMPORTANT SAFETY MESSAGE

HIDDEN VALLEY RACEWAY EVACUATION PLAN
Evacuation of the venue, or a particular area of the venue could be required where there is any threat to life safety. Such a threat could arise from any number of sources including fire, vehicle collision, chemical spill etc. An announcement over the public address system will alert people in the relevant area that they are required to evacuate. In evacuating the site, people will not be asked to move past any threat. Event staff will direct people to the appropriate exit, away from the threat.
